Detail oriented individual with strong problem-solving skills and attention to detail. Proficient in JavaScript and SQL. Completed a 6-month internship focused on website development, gaining hands-on experience in developing, maintaining, and enhancing websites.

EDUCATION

Farmingdale State College, Farmingdale, NY

Bachelor of Science Computer Programming & Information Systems, May 2025

GPA: 3.83

RELEVANT EXPERIENCE

Intern, Jun 2024 - Dec 2024

Kelm Media Group | Farmingdale, NY

- Collaborated with others on designing and developing websites
- Used technologies such as HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL to develop and enhance websites
- Hostinger was used to edit web pages and contained website databases
- Regularly utilized PHP and SQL for database interaction on web pages.
- Communicated with other employees and interns regarding project development
- Regularly worked on debugging websites
- Conducted content review to ensure websites were of good quality
- Worked on ensuring frontends of websites were accessible and visually appealing
- Modified websites based on feedback received
- Used PageSpeed Insights to determine how website performance could be improved
- Used ChatGPT and Google Gemini to determine methods toward approaching solutions

PROJECTS

TeleShow, Senior Project, Farmingdale State College, Feb 2025 - May 2025

Worked as part of a team to develop TeleShow, a web application that allows users to search for movies and shows, as well as view information on them.

- TeleShow's frontend involved HTML, CSS, JavaScript, and ReactJS
- Used the TMDB API to obtain and query data on movies and shows
- Incorporated Cloud Firestore, which was used as a database, into several features
- Participated in team demo videos and presentations, helping explain technical information about TeleShow and its features

(CONTINUED)

- Wrote test plans to ensure TeleShow's features were functioning as intended
- Wrote user stories for TeleShow's features, and used test plans to ensure user stories were complete and functional
- Used Visual Studio Code as an IDE when working on this project
- Communicated with team members through text, Discord, and Google Meet

Stock Diviner, Software Engineering, Farmingdale State College, Feb 2024 - May 2024

Worked alongside team members to create a joke stock predictor based on several factors such as zodiac signs, moon phases, and Chinese new year animals.

- Designed user-friendly interfaces for login, registration, warning, login success, and registration success screens, using SceneBuilder to modify .FXML files
- Activities included prototyping, UML and sequence diagram modeling
- Used Java in this project, including for input validation concerning user registration
- Modified work based on feedback received
- Used IntelliJ IDEA as an IDE when working on this project
- Communicated with team members through Discord and Zoom

ADDITIONAL EXPERIENCE

Usher, Jul 2022 - Jan 2025

Showcase Cinemas Broadway | Hicksville, NY

- Greeted customers, scanned tickets, and provided directions to theater locations; assisted with problems and concerns
- Trained new employees; collaborated with co-workers to ensure theaters remained in good condition
- Regularly communicated with co-workers and managers through in-person communication and through a radio

CORE SKILLS

Website Development: CSS, HTML

Programming Languages: Java, JavaScript, Perl, PHP, SQL

Database: Cloud Firestore, Microsoft SQL Server, MySQL Workbench, XAMPP

Frameworks: Bootstrap, Node.js, ReactJS

Operating Systems: MacOS, Windows

IDEs: IntelliJ IDEA, Visual Studio Code

Language Models: ChatGPT, Google Gemini

Misc. Technologies: API, Excel, Figma, Firebase, Git, GitHub, Hostinger, MS Teams, Relational Databases

Other Technical Skills: Agile Development, Database Design, PageSpeed Insights, Research, Responsive Web Design, Statistics, Website Design

Soft Skills: Adaptability, Analytical Skills, Attention to Detail, Communication, Constructive Feedback, Critical Thinking, Detail-Oriented, Innovative, Motivated, Openness to Criticism, Organization Skills, Problem Solving, Supportive, Team Leadership, Teamwork, Thinking Skills, Troubleshooting Skills
